

# Partnering with Ministry Families

Norfolk Christian is honored to partner with ministry parents in providing Christian education for their children. For these families, NCS will match their church's contribution toward tuition, up to 50% of full tuition costs. This church match applies to all grades from PK3 - 12 and is available to full-time pastors (Senior, Associate, Assistant, Worship, Youth, Children) as well as active missionaries.

In addition, the initial \$125 per student Application Fee is waived.

## How It Works

- Pastors approach their churches about assisting with NCS tuition.
- After the church contribution is defined, the Pastor contacts our Financial Aid Coordinator, Paula Trotman, with the amount of the church commitment. Applications for admission should be submitted.
- Pastors then complete our online Financial Aid application.
- We will automatically match the amount of the church's contribution, up to 50% of total tuition costs. For example: total tuition is \$9,000 and the church agrees to contribute \$4,000. Norfolk Christian would match with another \$4,000, leaving \$1,000 for the family to pay directly.
- In some cases, and at the school's discretion, NCS may award financial aid above the combined church/school match, based on demonstrated need and according to our financial aid policy.
